Yet what a guide for life was that—
Strong, philosophical and pat;
How safe a chart for you and me
While cruising o'er life's restless sea;
Push, always push, with goal in view;
Don't knock—avoid the hammer crew;
This rule will save you many a shock:
"Push—don't knock."

A GOOD MEETING.

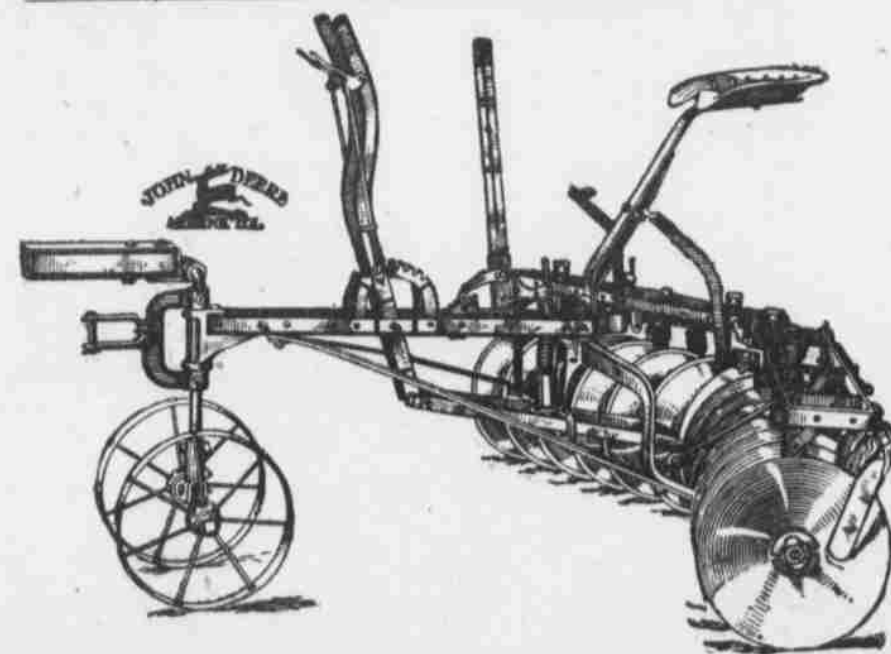

The interest in the decision services
in the Christian church continues to
show in the increasing attendance. The
sermon last night on "The Burden of
Tree," was well received. There was
one response to the invitation. The
song service begins at 7:15 o'clock. Any
and all who can help in the singing
or who enjoy good singing are asked
to aid in these services. Those desir-
ing to be baptized should be present
tonight.

HELD TO GRAND JURY.

Henry McAbee, colored, was tried on
a charge of petit larceny in Police
Court yesterday afternoon and was held
to the Grand Jury, his bond being
placed at \$100. The charge against Mc-
Abee was for stealing coal from a C.
& O. train.

Concerning Soil Tillage

After the ground is plowed, it should be disced and harrowed
until all lumps are finely pulverized. This is because the delicate
plant roots cannot penetrate hard lumps and are, therefore, de-
prived of much plant food. Tillage increases the availability of
plant food elements by changing the arrangements of soil particles
and bringing together those that have not before been in contact.
It also changes the relation of the soil with air, water, salts and
acids in the soil, making available plant food that would otherwise
remain dormant.

HERE AND THERE

If you have friends visiting you, or if you are
going on a "hill," please drop us a
not a that effect.

Mr. and Mrs. W. D. Frazee, who have
been making Maysville their home for
the past four months, returned to Do-
ver yesterday afternoon for the sum-
mer. They occupied a flat in the home
of Mrs. W. F. Power in West Third
street, and made many friends during
their brief residence here.

Mr. Elmer Thompson was at Lex-
ington yesterday visiting his parents,
Captain and Mrs. D. R. Thompson, for-
merly of this city. The many friends
of Mrs. Thompson will regret to hear
that she is very ill and next week will
undergo a serious operation at a Lex-
ington hospital.

Miss Myrtle Crane has returned home
after a pleasant visit of two months
with relatives at New Albany, Ind.

Mrs. John C. Roman of Lebanon, O.,
is visiting her mother, Mrs. Fannie Glas-
cock, of Limestone street.

Mrs. B. G. Broeze is visiting her
mother, Mrs. John Sears, and other
relatives.

WOMAN'S CLUB MEETING.

The regular meeting of the Wo-
man's Club will be held Friday after-
noon at 2:30 o'clock. The annual elec-
tion of officers will take place, and
the open session will be under the
charge of the Humane Department,
Miss Anna Peers, chairman. This will
be followed by a Lenten tea. Mrs. El-
mer Downing and Miss Lottie Berry
will act as hostesses, assisted by Mrs.
Ed Geisel and Mrs. Arvid Taylor.

UNCLE SILAS SAYS:

Ye said ye would pay when yer ship
comes in. When did ye send one out?
Ye paid the dentist \$8 for gold fillin'
fer yer teeth, but didn't take the paper
that advertised him and then kissed the
dentist for sending a bill after he had
waited two years.

You take a paper two years, and kuss
'em when the collector comes.

BIGGER HATS.

As the season advances it is the gen-
eral belief that hats of more apprecia-
ble size than the French sailor will find
acceptance by well dressed women.
Colorings and coloring combinations, to-
gether with the fabrics used, have never
been more beautiful nor have the
straws been better or more supple.

Easter sale of estates by the ladies
of the Christian church will be held
Saturday at the Ryder paint store.

TWO YEARS AGO

Today the 1913 Flood in the Ohio
Valley Reached the Crest.

Two years ago today the Ohio river
flood brought terror and misery to half
the residents along its banks and over
one hundred thousand homes were un-
der water.

The event is still a nightmare to the
flood victims, and many Maysvillians
suffered great loss and much privation.

This time, two years ago, the L. & N.
built a temporary bridge of flat cars
from the depot to the foot of Forest
avenue, and this was the only means of
transportation between the east and
west sections of Maysville.

What a contrast there is now with
those terrible flood days!
The Public Ledger of April 1, 1913,
had this to say concerning the big
flood:

By infallible marks at J. J. Wood's
drug store, corner of Second and Mar-
ket streets, the Ohio river on March
31, 1913, at 4 o'clock p. m., showed
nine inches above the flood of 1884.

The river at this point came to a
stand last afternoon at 4 o'clock, after
reaching a stage of 66.4 feet.

This morning at 9 o'clock the water
had receded about one inch.

At Cincinnati last night at 9 o'clock
the gauge marked 69.4, and on a stand.
The river at Russell fell .6 of a foot.
At Portsmouth the river fell .6 of a
foot.

NOMADS TO SEE FORBES-ROBERT-
SON AT LYRIC SATURDAY.

The Nomads, Maysville's enthusias-
tic literary club, are to attend in a

mance of Forbes Robertson at the Ly-

to avail themselves of the best in dra-
matic art, these women feel they must
witness the "passing" of the great
English speaking actor. The per-
sonnel of this club of representative
Kentucky women is as follows:

Riebow, Miss Lucy K. Browning,
Miss Harriet Dobyns, Mrs. Maynard

ROMANCE."

Mr. Sherman Arn, manager of the
Gem theater, is in receipt of the fol-
lowing telegram:
Cincinnati, O., 9:40 a. m., March 26,
1915—"Tillie's Punctured Romance"
is positively the funniest picture ever
produced. Ran it in our theater 22
days, and broke the house record for
attendance.

LUBIN THEATER.

This wonderful comedy features Ma-
rie Dressler, Charles Chaplin and Ma-
bel Norman, and will be shown at the
Gem theater Wednesday.

By the way, Miss Dressler has the
leading role in "A Mix-Up," now play-
ing at Shubert's theater in New York,
and written by Mr. Parker A. Hord, of
this city. "A Mix-Up" will be filmed
and seen at the Gem later on.

MAY LOCATE HERE.

Prof. Edmund Wroe, who has been
principal of the public school here, has
decided to change his line of business
as soon as the present term of school
closes, and will practice law, probably
at Covington or Maysville, though his
friends are hoping he will remain here.

VALUABLE DOG WENT MAD.

Mr. Howard Rosser's valuable
Scottish collie dog was thought to have
been poisoned this morning by some ma-
licious miscreant. Dr. R. L. Moody was
dispatched to the highly prized pa-
tient to try to save it, but it was dis-
covered that the animal had rabies and
it was shot.
